#### Energy Star

Ecoshield Windows exceed the newer, more rigorous Energy Star standards for windows and sliding doors.

#### NFRC

America's leading window rating agency gives Ecoshield Windows their top rating for energy efficiency.

#### AAMA Durability

Frames and components are built to the stringent specifications of the American Architectural Manufacturers Association.

## The Ecoshield Windows Story

Ecoshield Windows are designed to live in harmony with your world.

The high-efficiency design cuts energy costs dramatically. The low-maintenance construction fits well with busy lifestyles. And with a best of class warranty, Ecoshield Windows are guaranteed to work beautifully for years. You'll save effort, save money and help save the planet.

It's a natural fit.

### Ecology. Economy.

Ecoshield Windows offer the best of both worlds. With our Energy Star U-4 and Energy Star III Glazing Packages, they can lower the average home energy bill by 30 to 40 percent, and cut CO<sub>2</sub> output by 1,600 pounds per year\*.

How? With a highly durable, high-performance design that exceeds the most ambitious energy standards in America today.
