

2012 Manufacturer's Certification Statement

Get up to \$200 in tax credit on select Kasson and Keller energy-efficient products

Kas-Kel
Bright ideas in windows and doors.

In accordance with the Tax Relief, Unemployment Insurance Reauthorization and Job Creation Act, homeowners who purchase windows or doors meeting or exceeding certain energy-efficiency requirements are eligible for a tax credit. The windows or doors must have a U-factor or .30 or lower and any value for the Solar Heat Gain Coefficient to qualify for the tax credit.

By purchasing qualify window products, a homeowner can receive a tax credit of up to 10% of the cost of the qualifying products with a maximum credit of \$200. By purchasing qualify door products, a homeowner can receive a tax credit of up to 10% of the cost of the qualifying products with a maximum credit of \$500.

Kasson and Keller is proud to offer numerous products which meet the energy-efficiency qualifications required for tax credit eligibility.
